ART PUBLISHERS TO THEIR MAJESTIES THE KING & QUEEN

By Appointment.

Linneghlutain Falls. The picture shows a specimen of the beautiful country abounding in the neighbourhood of Inveraray. One of the most striking features is the beauty and variety of timber growth—oak, fir, beech, lime and ash each lending their own charm to the view, and where, as in the picture, their sylvan glories enshrine some added charm of river or fall, the glamour of the scene is beyond description.
